Technical drawing showing a cross-sectional view of a mechanical assembly, possibly a pump or valve. The drawing includes internal components like a piston and connecting rod, and external piping. Several callouts point to specific parts:

- Callout 007 points to a vertical pipe section.
- Callout 001 points to a horizontal pipe section.
- Callout 004/005 points to a flange or contact area.
- Callout 000 points to a small circular component.

A detailed callout at the bottom right shows a cross-section of a bolted joint with the following dimensions:

- Top horizontal dimension: 1.01
- Bottom horizontal dimension: 1.01
- Vertical dimension between top and bottom: 5.76
- Width of the flange: 1.01

A legend at the top left provides part numbers and descriptions:
